## International Dispute Resolution Master (IDR)

Dear Sir or Madam,

the Law Faculty of Humboldt-Universität zu Berlin is offering a one-year LL.M. program in International Dispute Resolution (IDR) with a strong emphasis on international commercial arbitration. We are now accepting applications for the 2018/2019 academic year. The application deadline for the 2018/2019 program is March 31, 2018.

The program provides a valuable opportunity for law graduates seeking to deepen their knowledge in the field of IDR. It is open to law graduates from jurisdictions all around the world. Therefore, all courses are taught in English.

We would be grateful if you were to spread the word of this program to your students. For this purpose, we have included two copies of a brochure providing more information on the program. When unfolded completely, the brochure can also be used as a poster. Please use these materials in whatever way you think will be most accessible to students and graduates; be it in the form of brochures at the university's career center or as a poster in the law faculty or elsewhere.

Further information can also be found on our website: [www.idrberlin.de](http://www.idrberlin.de).

Any questions regarding the program can be addressed to: [application@idrberlin.de](mailto:application@idrberlin.de)

We would love to welcome students from your university this October and would very much appreciate if you could help us spread the word of our program.

Kind regards,

Prof. Dr. Gerhard Wagner, LL.M.
