Vice Dean for Education/Academic Affairs

Faculty of Law, University of Prishtina “Hasan Prishtina”, 2016-current

Main responsibilities: In this position I was in charge of the main portfolio of the Faculty that is taking care of the regular education process including evaluation process in line with approved curriculum and strategic papers of the Faculty and University. Managing the academic development of our faculty was part of my main responsibilities. This position allowed me to become ex office head of the Faculty Study Commission. During the admission process of the academic year 2017-2018 I was president of the Faculty Commission for Admission of Students in the year 2017-2018. Currently I serve as deputy head of the Faculty Advisory Body which links market partners with our Faculty and provides strategic advices for curriculum improvements and design programs in line with market needs.

Major achievements:

- First time 5 year accreditation award for all of our study programs. First such accreditation awarded to any University/college in Kosovo until 2017
- Creation of the Faculty Advisory Body for strategic development and creating link between the Faculty and market needs.
- Student admission process in the year 2017-2018 was fundamentally improved
- Establishment of the Legal Clinic on Refugee Rights in partnership with the UNHCR

Visiting Lecturer,

University of Zagreb, Center for Advanced Academic Studies, 2009-current.

- Regional Security and Cooperation in South East Europe (co-lecturer with lecturer from Croatia, the U.S. and other countries).

Trainer / Expert,

Kosovo Chamber of Advocates-Training Center for Advocates, October 2015-current

- Referral of Application with the European Court of Human Rights: Admissibility Criteria and Application Manifestly Ill-founded (course dedicated for advocates and intern advocates).

President and CEO,

Euro-Atlantic Association of Kosovo (EUROAK), 2016-current

Main responsibilities: EUROAK is a newly established NGO dealing exclusively with the Euro-Atlantic integration through raise of awareness of the role of NATO, organization of conferences, debates and research activities to facilitate Kosovo institutions, NGO's and Kosovo citizens with the NATO integration process. I, together with other colleagues and enthusiasts of Euro-Atlantic issues have founded EUROAK and established its formal structures. As president and CEO I am head of the current five member board of the EUROAK.

Major achievements:

- Organize the first international conference on Euro-Atlantic integration with participants from the Atlantic Treaty Association as the main NATO think tank and important partner from civil society.
- Production of a policy paper on Kosovo perspective in joining NATO and presenting it to key government decision makers for consideration in policy making.

Lecturer,

Prishtina International Summer University, 2013 & 2014.

- Modern Approaches to Conflict Resolution (2014) – Co-teacher with Rok Zupancic from Slovenia;
- International Commercial Contracts (2013) – Co-teacher with Mark Houghes from the U.S.A..

Assistant Professor / Lecturer,

University of Prishtina “Hasan Prishtina”, 2006-2015

Main Responsibilities: Participate in the delivery of Public International Law, International Law and Environment, International Law of Human Rights, Diplomatic and Consular Relations, International Organizations and other related modules within the Law School’s Undergraduate and Graduate Program. My job also included the development of syllabus and course programs in the related courses and advise students on different matters of the curriculum and the course.

Senior Legal Advisor,

Constitutional Court of Kosovo, May 2013 – January 2014

Min Responsibilities: Prepare reports, draft decisions, hearings, legal analysis and other texts regarding cases within the jurisdiction of the Court; Contribute to the efficient and effective functioning of the Legal Unit; Perform other work as necessary for consideration and decision by the Court; Monitor and guide junior legal advisors and legal officers regarding tasks assigned by them in individual cases.

Major Achievements

- Engage actively in establishing the practice of the Constitutional Court based on the practice of the European Court of Human Rights. As part of the team, I used my knowledge to advance contemporary constitutional and human rights interpretation in addressing individual and group referrals with the constitutional Court.

Chief Policy Advisor to the Minister European Integration,

Ministry of European Integration of Kosovo, March 2011 – April 2013.

Main Responsibilities: To advise the Minister of EU Integration on broad policy issues regarding integration process and its orientations towards EU. Specifically my job was to coordinate the work the advisory body of the Minister; develop policy paper for the Minister and the Government; negotiate international agreements on EU integration; develop internal legal infrastructure of the Ministry regarding its organizational structure; take part at the highest level of meetings in Brussels and Prishtina with the representatives of EU and members states; and other duties as required to the nature of my work.

Major Achievements:

- In 2012 I was appointed by the Minister of European Integration as key coordinator for the fulfillment of the so called short-term criteria for opening talks on negotiating the Stabilization and Association Agreement. This meant many talks and meetings with key government sectors such as the Ministry of Trade and Industry, Ministry of Justice, Ministry of Public

Administration, Ministry of Finance and the Ombudsperson. As a result the negotiation of the SAA started in due time with no unnecessary delays.

Chief Policy Advisor to the Minister of Foreign Affairs and Deputy Minister of Foreign Affairs,
Ministry of Foreign Affairs of Kosovo 2009-2011.

Main Responsibilities: The Ministry of Foreign Affairs of Kosovo was established in 2008 after the Kosovo declaration of independence. At the time of appointment the Ministry needed to establish itself and put in operation its activities. My job was to advise on policy issues regarding establishment and representation of Kosovo as a state in international relations; development of Kosovo foreign policy; establishment of Kosovo diplomatic network; negotiation of international agreements on behalf of the government; organization of the Ministry; participation in high level meetings in Prishtina and abroad.

Major Achievements:

- Under the supervision of the Minister, I was the main coordinator in cooperation with the USAID project for the structuring of the MFA which was a newly established Ministry right after the independence. As a result the Ministry started to operate at normal level and engage on behalf of Kosovo in international relations such as establishment of Kosovo embassy and consulates.
- Prepare Kosovo Reports to be represented at the UN Security Council on the situation in Kosovo and be part of the Kosovo delegation in the Security Council discussing the situation in Kosovo.

Chief Executive Officer,

Agency for European Integration, September 2008-January 2009

Main Responsibilities: The role of the Agency for European Integration was to coordinate all government efforts and processes leading to European integration. As chief executive officer, my job was to make sure that this process is running at best in line with government policies and actions plan for European integration. In specific, the agency was the main coordinator between line ministries but also between the government and the European Commission regarding European integration and reported directly to the Prime Minister. The job involved negotiations, high level meetings and setting objectives regarding relationship between Kosovo and the EU.

Major Achievements:

- Establishment of normal relationship with the European Commission and management of the first Progress Report as an independent state. Organization of the Agency to work properly in new environment with more responsibilities and accountability.

Coordinator / manager of Master Development Program in the field of International Law,

University of Prishtina and WUS Austria, 2008-2010

Main responsibilities: managing and coordination of the master development program through a twinning program between the University of Prishtina and University of Graz and implemented by WUS Austria in Kosovo in designing and establishing a master program in the field of international law within the Faculty of Law at University of Prishtina. In this position, I was the key person in coordinating the work and establishing links between professors from both universities for

developing program curriculum and course syllabus. The end result was the established program which is still in function today.

Major Achievements:

- Accreditation of the Master LL.M. Program in International Law within the deadlines of the project.

Legal Education Associate,

American Bar Association Rule of Law in Kosovo, June 2008-September 2008.

Main Responsibilities: The project of the ABA in Kosovo was to support strengthening of the rule of law in a society struggling to overcome transition of the post-war period and new state building. Part of the project was to help the school of law at University of Prishtina in reforming its curricula to the contemporary needs in an open and democratic society. In this project I was involved in the development and implementation of introduction of new courses in law school undergraduate level. These courses were legal clinics in civil and criminal law; legal English and legal methodology.

Major Achievements:

- Introduction of legal clinics in civil and criminal law and also legal writing skill for the students at bachelor level.

Legal Consultant,

Save the Children in Kosovo, June 2007-September 2007

Main Responsibilities: Save the Children is an organization which promotes the rights of children and its protection. In Kosovo, they have established its presence since after the war ended in 1999 in an environment where children's rights were in many cases to a certain extent ignored. In this project I was involved as a consultant for the promotion of legal infrastructure in the area of protecting the rights of children. Part of my job was to analyze the legal infrastructure and give advises on possible improvements in harmony with the international conventions on human rights and those protecting children's rights.

Major Achievements:

- Production of a report on the rights of children in Kosovo. The report was presented to public authorities in Kosovo in order to use it for improving children's rights.

Legal Affairs Instructor,

Organization for Security and Cooperation in Europe, January 2005-August 2005

Main Responsibilities: OSCE Mission in Kosovo was established right after the war in Kosovo to help building democratic institutions under the umbrella of United Nations Mission in Kosovo. Part of this mission was to build the new police service of Kosovo in line with the highest democratic standards. I was positioned at the Department for Police Education and Development since 1999. From 2005, after finishing law school, I was asked to work as legal affairs instructor. Part of my job was to train cadets and graduated police officers of their responsibilities in a democratic society in line with the law of Police; Criminal Law, Law on Criminal Procedure and other legal infrastructure. The main focus was to protect human rights during law enforcement.

Administration Assistant,

Organization for Security and Cooperation in Europe, August 1999-August 2005

Main Responsibilities: OSCE Mission in Kosovo was established right after the war in Kosovo to help building democratic institutions under the umbrella of United Nations Mission in Kosovo. Part of this mission was to build the new police service of Kosovo in line with the highest democratic standards. I was positioned at the Department for Police Education and Development since 1999. In this position I was assigned to help the chief of administration in carrying its day to day duties, managing information flow and management of duty officer list.

Project Assistant,

American Refugee Committee, June 1999-August 1999

Main Responsibilities: American Refugee Committee was established in Kosovo right after the war to help the return of refugees, assessment of damages and rebuild houses. My job was to assist the main engineering officer to do the above mentioned tasks in the south-east part area of Kosovo.

END.
