

VIP – FOR GRADUATES

(Viadrina International Program - for Graduates)

The Viadrina International Program – for Graduates (VIP) enables international doctoral researchers to apply for a research stay of up to three-months at the European University Viadrina. The approval of applications is made by the Commission for the Appropriation of Funds within the Field of Research and Graduate Education of the European University Viadrina.

Fellowships for research stays of international doctoral researchers at the European University Viadrina (max. 3 months)

TARGET GROUP

Eligible for application are international doctoral researchers of universities abroad of any discipline represented at the European University Viadrina, who intend to spend an up to three-months research stay at the Viadrina. A fellowship can only be requested if any other funding for the same purpose and the same period is not already received by the applicant.

TYPE OF FUNDING

In 2023, grants for research stays at the European University Viadrina can be given for up to 3 months in form of a travel and accommodation allowance. The amount of the funding depends on the country of origin of the applicant and the period of stay at the Viadrina and can be found on the VIP website. The actual duration of the research stay may exceed the maximum funding period. Funding can be granted by no earlier than April 01st, 2023. Approved research stays can be granted until December 31st, 2023 at the latest. The minimum stay at the European University Viadrina is 1 month.

In addition to the funding by the Viadrina International Program – for Graduates (VIP), it might also be possible to apply for grants for children, foster children and children living in the household at the family representative of the European University Viadrina.
